"Authenticity is a collection of CHOICES that we have to make every day. It's about the choice to show up and be real. The choice to be honest. The choice to **let our true selves be seen.**"

"**Worthiness doesn't have prerequisites.**"

“Owning our story can be hard but not nearly as
difficult as spending our lives running from it.
Embracing our vulnerabilities
is risky but not nearly as dangerous as giving up on
love and belonging and joy—the experiences that
make us the most vulnerable. Only when we are
brave enough to explore the darkness will we
discover the infinite power of our light.”

“Vulnerability is the birthplace of
innovation, creativity and change.”
- Brené Brown
